

Rocket Bar Stool

Designer: **Eero Aarnio**

Manufacturer: **Artek**

£422

DESCRIPTION

Rocket Bar Stool by **Eero Aarnio** for **Artek**.

The Rocket Bar Stool was initially designed by Eero Aarnio in 1995 for his own kitchen. It follows one of Eero Aarnio's very few rules when creating furniture. "A chair must be comfortable for sitting and after that everything is free." Indeed the Rocket bar stool's sturdy and bulgy shape invites you to sit down.

DIMENSIONS

44dia x 73cmh

MATERIALS

Available in solid oak, with either a soaped, black lacquered, or white lacquered finish.
