

## Mademoiselle Lounge Chair

Designer: **Ilmari Tapiovaara**

Manufacturer: **Artek**

£1,331

### DESCRIPTION

**Mademoiselle Lounge Chair** by **Ilmari Tapiovaara** for **Artek**.

The Mademoiselle Lounge Chair from 1956 is made from solid birch and was specifically developed for the home. Crafted using an age-old construction method, the spoke back contrasts strikingly with the smooth modernist curves of the seat's softly rounded edge. In creating the Mademoiselle, designer Ilmari Tapiovaara drew inspiration from traditional Finnish chairs, then applied his own modern design approach. Also available as a rocking chair.

### DIMENSIONS

55w x 66d x 41/94cmh

### MATERIALS

High-back chair with seat, back and base in solid birch.

Available in black or white lacquered.
