DESCRIPTION

Atelier Chair by **TAF Studio** for **Artek**.

The stylish and versatile Atelier wooden chair is perfect for any setting. Designed by the renowned Stockholm-based TAF Studio in 2018, the chair was originally commissioned for the National Museum's new restaurant in Stockholm. This chair is compact, lightweight, and stackable, making it ideal for contemporary spaces.

Featuring slender proportions and geometric lines, the Atelier Chair boasts an arresting aesthetic that's sure to turn heads. And with elegant details like connecting bars that hug the front legs, it's both simple and sophisticated. This chair is also incredibly comfortable and versatile, equally at home in a dining room, meeting room, auditorium, or at desk.

Add a touch of contemporary Nordic design language and sophistication to your space with the Atelier Chair.
