

Vega lounge chair, 1997

Designer: **Jasper Morrison**

Manufacturer: **Artifort**

£956

DESCRIPTION

Vega lounge chair by **Jasper Morrison** for **Artifort**.

The Vega chair is a playful chair designed by renowned British designer Jasper Morrison for Artifort. The chair features two round cushions functioning as the seat and backrest joined together by a metal band. Configure it to suit any interior with multiple upholstery options and base finishes to choose from.

Vivid, beguiling, and stunning, the chair is great for waiting rooms, museums or at home. Also available with a footstool.

DIMENSIONS

Lounge chair: 55wx 66d x 42/72cmh

Footstool: 55w x 55d x 42cmh

MATERIALS

The base is made with 2mm thick 16mm diameter tube and finished with powder coating colour. For available colours, please refer to the downloadable pdfs in the Product Downloads section.

Supplied with transparent gliders.

The back and seat is 12mm beech multiplex covered with moulded foam.

Upholstered in fabrics and leathers of the collection. Also available with an option of upholstering the seat and backrest with different fabric. Please enquire for more details.
