DESCRIPTION

Moulin Chair by **Pierre Paulin** for **Artifort**.

Designed in 1958, Artiforts Moulin Armchair was initially created by Pierre Paulin for Thonet France. Conceived on Rue Jean Moulin in the 14th arrondissement in Paris, the seat is characterised by a slim frame, gentle curves and angles, and an upholstered back and seat.

Its simple and unadorned design enables the seat with versatility, allowing it to blend in easily with any environment.
