DESCRIPTION

Arum Floor Lamp by Ferm Living.

The Arum Floor lamp is a study in contrasts. The asymmetrical shade rests on a slim metal stem and a sand coloured travertine base or a black marble base. The curved, petal-shaped shade has a white underside that evenly distributes and diffuses a soft and ambient light. The shade is also adjustable allowing for the light to be focused where it needs. The heavy base acts as a counterweight for the slim stem and lampshade and helps achieve the perfect balance in the off-centre structure.

Please note: Available for shipping to the EU, EEA and UK only.
