DESCRIPTION

Oblique Desk by **Claesson Koivisto Rune** for **Asplund**.

The Asplund Oblique desk is a simple desk made with durable powder-coated steel, finished with a bronze-coloured coating. Born from the need for a minimalist table to furnish a Norwegian hotel by the designer trio Claesson Koivisto and Rune, the table features a thin metal tabletop which almost looks like it is floating in the air. The desk also comes with adjustable feet.

Made in Sweden.
