DESCRIPTION

Vass 60:180 Base by **Claesson, Koivisto & Rune** for **Asplund**.

The Vass 60:180 Base is a modern cabinet that is both functional and visually appealing. It belongs to a collection of cabinets with a similar design aesthetic of angled lines that conceal the doors, giving them a contemporary and refined look.

These cabinets are crafted from high-quality materials, including lacquered MDF and stained oak. You can choose from three different versions: one with a lifted oak stand, another with a flat oak base, and a third that is perfect for wall mounting.

Vass 60:180 features two doors, two compartments and two removable shelves. It offers ample storage space and has a low-to-the-ground design that makes it perfect for using as a TV stand or for placing decorative items on top.

Please note: Price shown is for 180cm width cabinet with base. Other sizes and options available.
