

Star rug

Designer: **Emma Olbers**

Manufacturer: **Asplund**

£393

DESCRIPTION

Star rug by Emma Olbers for Asplund.

This classic pattern was inspired by the paving of Orvieto's cathedral, which designer Emma Olbers visited while travelling in Italy. The geometric design creates an optical illusion by depicting stars, cubes, and stripes/

This dhurrie rug is handwoven using wool with natural colours, giving it a unique melange look. The base and pattern colours are set, with a hand-stitched pattern in a contrasting black indigo.
