

Luc Cabinet 100, 2012

Designer: **Mats Broberg and Johan Ridderstråle**

Manufacturer: **Asplund**

£4,451

DESCRIPTION

Luc Cabinet 100 by **Mats Broberg & Johan Ridderstråle** for **Asplund**.

Designed by Mats Broberg & Johan Ridderstråle for Asplund, the Luc Cabinet 100 is a versatile dual-door side cabinet with ample storage space. The unit is astutely designed with a deep shelf on the top, allowing you to keep frequently used items within easy reach.

Its compact silhouette makes it an excellent space-saving solution, whilst its highly customisable design makes it suitable for various environments.

DIMENSIONS

100w x 42d x 133cmh

MATERIALS

The Luc Cabinet 100 comes with 2 doors. The cabinet body is available in white stained, black walnut stained oak or smoked stained oak veneered MDF. The metal stand is available in a range of powder-coated colours.

The stone top is available in Carrara marble, Nero Marquina, Pietra Grey, and Jura Limestone

The cabinet is available in a range of other finishes, including: a deep blue stand, a cabinet in charcoal grey or taupe lacquered oak, or a cabinet top in Elegant Grey or glass.

Made in Sweden.
