

Moci dining table, 2021

Designer: **Moa Sjöberg**

Manufacturer: **Asplund**

£5,760

DESCRIPTION

Moci dining table by **Moa Sjöberg** for **Asplund**.

The Moci dining table is a handcrafted and generous table perfect for dining or office use. Made in Sweden, the table won the 2022 RUM Furniture of the Year award in Sweden. Featuring massive solid oak legs and an oak veneer top, the table is crafted with a focus on materials and technology.

The designer Moa Sjöberg recently graduated from the Carl Malmsten design school, and the dining table is the result of her degree project.

Note: Due to the high weight of the table, the table requires two or more people to turn the table properly after mounting the legs. At least 2 people for the medium size table and 4 for the large table.

DIMENSIONS

Medium: 240w x 95d x 72cmh

Large: 280w x 95d x 72cmh

MATERIALS

This table features massive oak legs with oak veneer table top.

Veneered top available in white stained oak, chestnut stained oak, or natural stained oak.
