DESCRIPTION

Mini Flag Nordic rug by Thomas Sandell for Asplund.

Honouring their Nordic heritage, Asplund creates contemporary furniture in collaboration with celebrated Swedish designers and architects. Their simple, versatile and high-quality designs make for considered, functional living and working.

A modern interpretation of a classic woven Kelim carpet in 100% wool. The pattern is inspired by traditional Turkish designs and features a triangular 'flag' pattern. Part of the collection 'A Turkish Love Affair'.

“At a stroll through the bazaars of Istanbul I realised a fact; patterns and colours in Turkish carpets show a huge similarity to our own traditional Swedish heritage. Maybe the Vikings in their time brought our design culture to this part of the world or vice versa? I have, as a present-day Viking, interpreted the heritage of the Turkish carpet” says Thomas Sandell.
