DESCRIPTION

Mini Rabbit Pot by **Stella Baggot** for **Atelier Stella**.

Bring subtle playfulness to any space with Atelier Stella's Mini Rabbit Pot. The Mini Rabbit is a characterful plant pot featuring a shiny white glaze, sculpted face. Use it as a vase for flowers, plants or show it off alone, as an ornament. The planter is signed on the bottom and gift wrapped in tissue. Please note that the piece may not exactly look like the photo as each vase is handmade.

Stella Baggott creates stoneware ceramics with subtle personalities, each with unique impressed decorations and glazes. The pots and planters are entirely functional to carry flowers, herbs or succulents, as well as pencils, pens or kitchen utensils. The addition of vegetation adds even more character.

Atelier Stella ceramics are handmade using slab and pinch-pot techniques to create unique and characterful designs influenced by Swedish, Italian and Cornish pottery of the 1950s and 60s.
