DESCRIPTION

Single Candle Holder by **Stella Baggot** for **Atelier Stella**.

Brighten your interior with the versatile single candle holder. Use it as a cute candleholder in the winter and as a vase in the summer. The characterful ceramic holder is made of creamy stoneware clay, topped with a shiny turquoise glaze.

The ceramic is signed on the bottom and gift wrapped in tissue. Please note that the piece may not exactly look like the photo as each piece is handmade.

Stella Baggott creates stoneware ceramics with subtle personalities, each with unique impressed decorations and glazes. The pots and planters are entirely functional to carry flowers, herbs or succulents, as well as pencils, pens or kitchen utensils. The addition of vegetation adds even more character.

Atelier Stella ceramics are hand-sculpted using slab and pinch-pot techniques to create unique and characterful designs influenced by Swedish, Italian and Cornish pottery of the 1950s and 60s.
