DESCRIPTION

JWDA Concrete Table Lamp by **Jonas Wagell** for **Audo Copenhagen**.

Jonas Wagell's concrete lamp is a sophisticated blend of the tough and the fragile: a round concrete base with a brass dimmer switch is surmounted by an opal glass dome that casts a uniform diffused light. The design is inspired by the form of a traditional oil lamp.

A light ideally suited to a bedside table, a desk or sofa table. Of his designs, Wagell says: "I want to create products that can be used every day and become part of people's lives."
