DESCRIPTION

The Seal Lounge Chair, Low Back by **Ib Kofod-Larsen** for **Audo Copenhagen**.

The understated The Seal Lounge Chair by Ib Kofod-Larsen combines organic design with exceptional comfort. Well-proportioned with a sculptural silhouette, it was initially designed for the Swedish furniture company Olof Persons Fåtöljindustri in the mid-50s, who invited Kofod-Larsen to produce a chair that would become a commercial success.

Originally named Sälen after the Swedish ski resort, The Seal is considered one of Kofod-Larsen's most well-known designs. Displaying an angled frame, an inviting seat and a lightness that confutes its stability, the timeless lounge chair demonstrates the designer's strength in understanding the potential of wood and raw materials.
