

Rail Shelf

Manufacturer: **Audo Copenhagen**

£260

DESCRIPTION

Rail Shelf by [Keiji Ashizawa](#) for **Audo Copenhagen**.

Inspired by the world of architecture, Japanese designer Keiji Ashizawa introduces the Rail shelf for Audø Copenhagen. The wall mounted shelf provides an understated backdrop for decorative objects.

Comprised of a lightweight steel bracket and a minimal wooden shelf, in natural or dark stained oak. The modern shelf fits into spaces small or large and can be suspended alone or in rows to suit specific functional and aesthetic requirements.

DIMENSIONS

92w x 25d x 21cmh

MATERIALS

Made of oak veneer, MDF and steel.
