

Nimbus Mirror | Rectangular

Designer: **Kroyer Sætter Lassen**

Manufacturer: **Audo Copenhagen**

£990

DESCRIPTION

Nimbus Rectangular Mirror by **Krøyer-Sætter-Lassen** for **Audo Copenhagen**.

The Nimbus mirror resembles a framed painting or a picture. Designed by Copenhagen-based design studio Krøyer-Sætter-Lassen, the entire frame envelopes the mirror surface without obstructing the reflection from the mirror.

Inspired by the ornate Baroque flourishes or Gothic arches and the simple lines of the Bauhaus movement, the design elevates the mirror for the modern age.

The halo-like frame is available in either Bronzed Brass or Polished Brass finish.

DIMENSIONS

53.4w x 2.2d x 158.4cmh

MATERIALS

Polished, lacquered brass frame with cut glass mirror and painted MDF. Also available with bronzed brass frame with cut glass mirror, painted MDF and felt.

Note: The solid brass frame is untreated and will tarnish over time.
