DESCRIPTION

Ready Dining Chair by Matias Møllenbach + Nick Rasmussen for Audø Copenhagen.

Inspired by classic free-swing chair designs, Rasmussen and Møllenbach created the Ready Dining chair as part of their experiments with form-pressed materials. Ready features an eye-catching cantilevered silhouette, with unexpected curves and an inviting angled backrest.

Perfectly sized for use as a dining chair, its stackable design and row-connecting feature make it equally suited to a multitude of other uses.

Both natural oak and red stained versions are available. The Ready Dining chair is also available with numerous upholstery options, please see 'Product range' below.

Please note there is a minimum order quantity of two.

DIMENSIONS

47.4w x 50d x 48.3/78cmh

MATERIALS

The Ready chair is available in beech with oak veneer in natural, black painted or red stained finish.

FSC™-certified wood.
