DESCRIPTION

Hashira Wall Lamp by **NORM.Architects** for **Audo Copenhagen**.

Inspired by the traditional Japanese rice paper lantern, Copenhagen-based design duo Norm Architect introduced the Hashira Collection for Audo Copenhagen. The Nordic interpretation offers a contemporary, minimalist collection of floor, pendant and table lamps for modern spaces.

"Spreading ambient light in a room, the Hashira Collection makes for purposeful lighting above a dining table, in a reception area or on a table in a hotel bedroom, bringing a sense of understated luxury and purpose to interior spaces" - **Norm Architects**.

Perfect for subtle ambient lighting, the Hashira Wall Lamp features a translucent fabric shade with a black powder-coated steel wall mount. The pale linen shade acts as a diffuser, projecting the light in multiple directions while creating a cosy, glare-free ambience. The Hashira wall lamp looks elegant on the wall as above a bed or a sofa.

Explore the rest of the Hashira collection, also created with the same column-like shape to fill spaces with cosy, ambient light. Please see the product range below.
