The Offset lounge chair, designed in 2017, is a contemporary lounge chair based on the idea of 'balance'. The aim of the sofa and lounge collection was to combine two opposites; to be substantial yet delicate, architectural yet inviting. The clean-lined boxy shape is inspired by minimalism, but gently softened to be welcoming and inviting.

Please note: The images of the lounge chair are not in the correct upholstery. The lounge chair available for purchase is in **Moss 0012**, see swatch for exact material or **enquire** for more information.
