

Plinth Bridge

Designer: **NORM.architects**

Manufacturer: **Audo Copenhagen**

£1,580

DESCRIPTION

Plinth Bridge by **NORM.Architects** for **Audo Copenhagen**.

Like the rest of the elegant Plinth collection from Audo Copenhagen, the Plinth Bridge has a classic silhouette and modern material appeal. The table can be used as a stand-alone table. It can also be combined with the Plinth Low podiums to create a bridge across the low-slung designs for elevated surface space.

The sleek design is perfect for any modern interior. Offered in a range of beautiful, natural materials including the classic White Carrera marble and the intriguing purple-veined Calacatta Viola to sand-coloured Kunis Breccia stone.

DIMENSIONS

100w x 35d x 38cmh, 110kg

MATERIALS

Available in Black Marquina marble, Grey Kendzo marble, Calacatta Viola marble, Kunis Breccia stone, or White Carrara marble.

Marble is treated with a sealer for surface protection.

Made from 2 cm thick marble plates with edges milled at 45-degree angles before all five plates are glued together in mitre joints. The corners are reinforced by reusing excess marble from the production. The bottom plate is made from plywood, where the adjustable glides are fastened.
