DESCRIPTION

Plinth Shelf by **NORM.architects** for **Audo Copenhagen**.

Audo Copenhagen's Plinth Shelf is constructed from Grey Kendzo, a rich and beautifully light-reflecting white veined marble. A minimal design, the Plinth Shelf can be hung in singles, or grouped together, to create a custom shelving system. The 60 cm long shelf can be attached to a wall horizontally for use as a bookshelf or display ledge, or vertically as a wall-mounted podium to display a special object.

DIMENSIONS

60w x 12d x 10cmh

MATERIALS

Made from plywood and marble.

Available in two finishes: kunis breccia or grey kendzo.
