DESCRIPTION

Snaregade Oval Dining Table by **NORM.Architects** for **Audo Copenhagen**.

The Snaregade Table is a perfect combination of elegance and minimalism, with its strong geometric design. It is not only aesthetically pleasing but also durable enough for both commercial and private use. Its thin silhouette enhances its elegance, making it a perfect addition to any space.

Originally designed for the home of Audø Copenhagen founder Bjarne Hansen, the Snaregade Table was designed to be visually light, and sophisticated while efficiently using space. It was so well-received that it has been in production ever since. Audø Copenhagen brings a personal touch to every piece, and the Snaregade Table showcases this beautifully, feeling customized for every setting.

The new linoleum tops are both visually and materially appealing, with a heartiness that makes it a great choice for families with young children or for a restaurant setting.

DIMENSIONS

210w x 95d x 73cmh, seats 6 to 8 chairs

MATERIALS

The tabletop is made from either FSC certified oak veneer or Forbo linoleum that is glued onto MDF and cut using a CNC machine. The frame is constructed by welding steel tubes together, and the surface is coated with powder.

Available with linoleum table top in the charcoal or mushroom colour finish. Also available with wooden veneer table top in black oak or dark stained oak finish.

Base available in black or light grey finish
