DESCRIPTION

Snaregade Rectangular Dining Table by **NORM.Architects** for **Audo Copenhagen**.

The Snaregade Table is a stunning blend of elegance and minimalism, thanks to its strong geometric design. Not only is it aesthetically pleasing, but it is also highly durable and suitable for both commercial and private use. Its slim silhouette adds to its elegance, making it a perfect fit for any space.

Originally designed for the home of Audø Copenhagen founder Bjarne Hansen, the Snaregade Table was crafted to be visually light and sophisticated while maximizing space efficiency. It was so well-received that it has been in production ever since. Audø Copenhagen adds a personal touch to each piece, and the Snaregade Table beautifully showcases this, feeling tailored to every setting.

The new linoleum tops are both visually and materially appealing, with a robustness that makes them a great choice for families with young children or for a restaurant setting.

DIMENSIONS

200w x 90d x 102.7cmh

MATERIALS

The tabletop is made from either FSC certified oak veneer or Forbo linoleum that is glued onto MDF and cut using a CNC machine. The frame is constructed by welding steel tubes together, and the surface is coated with powder.

Available with linoleum table top in the charcoal or mushroom colour finish. Also available with wooden veneer table top in black oak or dark stained oak finish.

Base available in black or light grey finish
