The Offset lounge chair, designed in 2017, is a contemporary lounge chair based on the idea of 'balance'. The aim of the sofa and lounge collection was to combine two opposites; to be substantial yet delicate, architectural yet inviting. The clean-lined boxy shape is inspired by minimalism, but gently softened to be welcoming and inviting.

Please note the images are for reference only. The ex-display Offset Lounge Chair is available in a dark (almost black) boucle.
