

Aura pendant light, 2020

Designer: **Sabine Marcelis**

Manufacturer: **Established and Sons**

£3,156

DESCRIPTION

Aura pendant light by **Sabine Marcelis** for **Established + Sons**.

The translucent suspended Aura Light can be placed individually or layered as grouped lighting. The sustainable design is created from a bio-epoxy resin, using by-products from the agricultural industry.

The cylindrical resin bar covers a replaceable glass LED tube, offering a soft illumination to its surroundings. The gentle ambient glow from this design is ideal for relaxed living and workspaces.

“My work is currently exclusively available via galleries and this is the first step towards making some lighting available to a wider audience, but in a conscious and sustainable manner,” said Sabine Marcelis.

DIMENSIONS

110w x 7.5d x 8.75cmh
