DESCRIPTION

Cedar Atlas + Ylang Ylang Soap Bar by Austin Austin.

Austin Austin is a family-owned business located in Norfolk, which creates luxurious and effective bath and body products using the highest quality ingredients.

An ethical and environmentally aware approach underpins Austin Austin. Their range is certified as fully organic by the Soil Association and COSMOS and is tested on people, not animals.

The Cedar Atlas + Ylang Ylang Soap Bar is part of a collaboration between Austin Austin and ceramic artist Matthew Raw. Raw is an artist who uses clay to explore social history, language and community. He has a particular interest in working with ceramic tiles and aims to push the possibilities of the material while challenging its perception.

Enjoy this bar for a soothing and cleansing experience with sweet and woody base notes.
