

Bac Chair

Designer: **Jasper Morrison**

Manufacturer: **Cappellini**

£984

DESCRIPTION

Bac Chair by Jasper Morrison for Cappellini.

A marriage of aesthetics and functionality, the Bac chair was designed by Jasper Morrison in 2009 to accompany its namesake table. A natural evolution of the line, the chair shares the same refined essence at the table and is crafted from solid ash with the option to complete it in a variety of finishes; bleached, oak-stained, black-stained, wengé-stained or Shanghai blue.

The sleek design, with angled hind legs and an embracing backrest, invites the body to feel relaxed whilst seated, allowing for excellent comfort for long periods of sitting.

The modern design is ideal when accompanied by the Bac table, which can be found in the related products below.

DIMENSIONS

52.2w x 51d x 45.5/73cmh

MATERIALS

Chair with solid ash structure, in a range of colours and beech plywood seat - bleached, oak-stained, black-stained or Shanghai blue aniline stained finish. The chair can also be upholstered to the front of the ash seat with a fabric or leather.

Please see product downloads section for upholstery and material samples.

Feet in black polypropylene.

Please note: the Shanghai blue aniline stained finish cannot be used on upholstered chairs.
