DESCRIPTION

Bat Meeting Chair with front upholstery by GamFratesi for Gubi

Designed in 2018, the Bat dining chair designed by Danish-Italian design studio GramFratesi, features a bold, minimalist form, its enveloping shell referencing the wingspan of a bat.

Gubi has developed the 'Bat for Life' concept, making the front upholstery easy to remove should you wish to dry clean or replace the textile. This innovative feature prolongs the life of the chair, taking a sustainable approach to design.

Choose from a wide selection of fabrics and leathers. Please refer to the pdf in the download section to view upholstery options.

The base is available in black matt, chrome, brass semi-matt, black chrome and antique brass.
