DESCRIPTION

Bloc side table by **Pauline Deltour** for **Established + Sons**.

The colourful Bloc side tables feature a hidden drawer in the plywood build with a soft-open mechanism. The graphic design adds a playful element to the room and is suitable for a wide range of environments.

“Colours often come way too late in the development of a design,” said Deltour. “For once I wanted to invert the process.”

High-quality castors are sold as an additional part to make the design mobile, please **enquire** for details.
