DESCRIPTION

BM61 Chair by **Børge Mogensen** for **Fredericia**.

The BM chair collection is designed with an exposed construction which reveals the hand-craftsmanship which goes into its creation.

The BM61 chair has a comfortable slender shape with a carefully calibrated angle of the backrest for relaxed seating at the dining table or as a side chair. The chairs use linen or cane webbing for the seat and back together with a solid wood frame, a choice of honest materials. It is a comfortable dining chair with an aesthetically pleasing quality making it suitable for commercial use and private homes.

The sledges make the chair a good choice for soft floors.

DIMENSIONS
