

28.6 Stem Suspended | Vertical

Manufacturer: **Bocci**

£9,988

DESCRIPTION

28 Stem Suspended | Vertical Pendant by Bocci.

Bocci uses glass blowing and glass, ceramics and metal sand-casting to produce their unique, hand-crafted lights.

The 28 series is made using a complex glass process whereby the air temperature and the direction of airflow are manipulated into blown glass. The result is a distorted sphere with a composed collection of inner shapes, one of which is made of opaque milk glass and houses a 1.5w LED lamp.

The 28 stem collection is a statement group of glass blown luminaires available as floor, ceiling or columnar installations.

Please see the downloadable PDF for full specification.

Please note: price given is for spheres in clear glass in a suspended pendant.

Other options are available against a surcharge. Please enquire for more information.

DIMENSIONS

6 Stem length: 186cm (73.2') stem

Individual sphere: 16.5cm dia

Canopy: 14.2cm dia

MATERIALS

Blown glass on a powder coated black, or brushed brass stem.

Canopy comes in matching black or brushed brass.

The brass used in the Stem Series is untreated and, as such, will develop a natural patina over time. To avoid any marking or tarnish on the brass during handling and installation, please use the gloves provided in the shipment.

Bulb (**included**): 1.5w LED.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
