DESCRIPTION

Bong Table by **Giulio Cappellini** for **Cappellini**.

Designed by Giulio Cappellini in 2007, the founder of the eponymous luxury design brand Cappellini, the Bong table is composed of a solid sphere with a flattened, round top. It has an eloquent presence with an ironic touch, making it a simple, fun addition to your living room.

The contemporary coffee table is available in several finishes, including a minimalist faux marble and a vibrant matte red, allowing you to decide which finish will create the perfect accent for your space.

DIMENSIONS

48dia x 40cmh

MATERIALS

Round coffee table made of fibreglass and resin, varnished in a matt lacquer finish available in white, anthracite, red, or orange.

Also available with a white Carrara faux-marble and floral decoration designed with the Dip-Print three-dimensional decorating system.
