

Bramante Cabinet

Designer: **Kazuhide Takahama**

Manufacturer: **Cassina**

£6,734

DESCRIPTION

Bramante cabinet, by **Kazuhide Takahama** for **Cassina**.

The Bramante is a storage unit, which combines traditional compositions with a modern style. The Bramante is formed using classic lacquering techniques, which have been adapted for industrial manufacturing. The cabinet stands out and has a contemporary aesthetic, ideal for modern living.

The Bramante has a handcrafted finish and available in a variety of variants. The Bramante is also available in a wider sizing range, please **enquire** for details.
