

Branca table, 2010

Designer: **Industrial Facility**

Manufacturer: **Mattiazzi**

£2,062

DESCRIPTION

Branca table by **Industrial Facility** for **Mattiazzi**.

As its name suggests, Branca has been inspired by the organic branching forms that result from wood growth. The collection is a result of a close collaboration between designers Industrial Facility and the woodworking expertise of the Mattiazzi factory.

Branca's smooth rounded form belies the complexity of its production which relies on a combination of robot-controlled eight-axis milling machines and traditional hand-shaping and finishing.

Dining table part of the Branca range from Mattiazzi. Constructed using 8-axis CNC machinery, hand-finished and assembled without metal fixings.

The Branca table is available in two sizes.
