

Annika Rectangular Laminate Table

Designer: **Bruno Mathsson**

Manufacturer: **Bruno Mathsson International**

£905

DESCRIPTION

Annika Rectangular Laminate Table by **Bruno Mathsson** for **Bruno Mathsson International**.

The Annika Rectangular Laminate table is an eye-catching piece of furniture by Swedish designer Bruno Mathsson. Designed in 1936 this table is sleek and modern with its unique, bent laminated legs that demonstrate Mathssons' acclaimed woodworking skills.

The Annika collection offers a range of sizes and heights, from small side tables to larger coffee tables, catering for many uses. It features a white laminate top and beech legs, making it a stylish addition to any space.

Also available in a range of wood veneer tops, see product range below.
