

Annika Round Table

Designer: **Bruno Mathsson**

Manufacturer: **Bruno Mathsson International**

£663

DESCRIPTION

Annika Round Table by **Bruno Mathsson** for **Bruno Mathsson International**.

The Annika Round Table by Bruno Mathsson was first designed in 1936 and belongs to a range of distinctive tables by the Swedish designer. The table has three delicate legs made of bent laminated beech wood and comes in a choice of ash, beech, birch, oak or curly birch veneer for the table top. Available in various heights and sizes, it is a versatile occasional table that adds a classic design to any interior space.

Also available with white laminate top, see product range below.
