

Eva Aluminium Armchair

Designer: **Bruno Mathsson**

Manufacturer: **Bruno Mathsson International**

£6,281

DESCRIPTION

Eva Aluminium Armchair by **Bruno Mathsson** for **Bruno Mathsson International**.

Bruno Mathsson spent many years studying the mechanics of sitting to design a chair that fitted the body perfectly. After many iterations, he landed on a design which has evolved into the Eva chair.

This edition, based on the 1941 model of the Eva chair, is made from mainly recycled aluminium and is individually cast. This armchair is a highly durable chair that adds a sleek and classic design to your outdoor space.

DIMENSIONS

60w x 71d x 34/82cmh

MATERIALS

Sandblasted recycled and non-recycled aluminium. Each chair is individually cast and numbered.

Available with ground spikes or brackets for screwing down.
