DESCRIPTION

Charleston Scumble Hardback Notebook by Cambridge Imprint.

The design of Cambridge Imprint Hardback Notebooks draws inspiration from the slim patterned German Insel-Bücherei books from the inter-war era. In the United Kingdom, King Penguins followed a similar design, and later, Ladybird books adopted the same format.

These notebooks feature 80 pages of plain cream paper, expertly sewn and bound within a slender, lightweight hardback cover adorned with patterned paper. This construction allows the notebook to open completely flat for ease of use.
