DESCRIPTION

Candid Chair by **Note Design Studio** for **Zilio A+C**.

Candid is a compact dining chair designed by Note. Appearing light and bold at the same time, Zilio A+C's craftsmanship and expertise were integral to realising the structural challenges of this elegant piece of seating.

Available in natural and stained ash, the Candid chair stems from Note's unfulfilled search for a straightforward chair for its interiors projects.

True to the studio's 'if we can't find it, we design it' approach, Note created Candid as a versatile, materially honest chair for various environments, from restaurants to the home.

Please note: there is a minimum order quantity of two.
