

Cannot Side Table

Designer: **Michela Catalano and Ilaria Marelli**

Manufacturer: **Cappellini**

£1,200

DESCRIPTION

Cannot Side Table designed by **Michela Catalano and Ilaria Marelli** for **Cappellini**.

Characterised by geometric shapes and visual lightness, Michela Catalano and Ilaria Marelli's Cannot table is inspired by the concepts of equilibrium and instability. Although it is particularly well suited to small spaces due to the vast open distance between the floor and tabletop, its minimal form makes it suitable for a range of interior settings.

Designed in 1999, the contemporary table comes in a range of matte or glossy tabletop finishes. Its compact dimensions make it easy to store and transport when disassembled.

DIMENSIONS

55dia x 45cmh

MATERIALS

Made from chipboard panels with melamin plating.

Available in matt lacquer, matt lacquer extra, polish lacquer or polish lacquer extra. Chromed base/handles is also available in wood (natural oak, wenge-stained oak or black-stained oak) and natural Santos.

Base and handles available in either matt varnish or chrome finish.

The internal finish of the drawers is melamine, desert.

Please see product downloads section for material samples.
