

Canteen utility chair, 2009

Designer: **Klauser and Carpenter**

Manufacturer: **Very Good and Proper**

£252

DESCRIPTION

Canteen utility chair designed by **Klauser and Carpenter** for **Very Good and Proper**.

The Canteen chair is a commercially feasible chair with design integrity suitable for residential or commercial applications.

The design is inspired by the ubiquitous post-war school chair, with a steel frame married to a plywood seat and back. The resulting chair is highly functional, light-weight and stackable.

Please note the minimum order quantity of 4 chairs.

DIMENSIONS

50.9w x 55.8d x 46.5/81.5cmh

MATERIALS

Seat and backrest available in the following woods: light oak, beech, or walnut.

Powder coated steel frame available in the following colours: grey white, light blue, sulphur yellow, signal red, black red, orange, light pink, dark bronze, burnt sienna, khaki green, lacquered mild steel, graphite, metallic silver, or metallic brass.

Please refer to the VG&P Metal Colours pdf in product downloads for further details on frame finishes.
