

Daybed, 2021

Designer: **Jasper Morrison**

Manufacturer: **Cappellini**

£3,132

DESCRIPTION

Daybed by **Jasper Morrison** for **Cappellini**.

One of Jasper Morrison's first designs for Cappellini, the Daybed embodies the award-winning British designer's approach to design, where simplicity, style and timelessness blend seamlessly to create a classic, expressive object.

The Daybed sofa is being brought back into production for the first time in over thirty years, utilising the latest-generation upholstery. With its simple, atemporal lines, the sofa maintains contemporary whilst retaining the authenticity of the original product.

Daybed is available in two designs, a sofa and a backless méridienne, and is available to purchase with additional cushions in a square or roller shape.

DIMENSIONS

Méridienne/sofa: 217w x 71.5d x 48/87.5cmh

Roller cushion for méridienne: 68w x 20dia

Roller cushion for sofa: 51w x 20dia

Square cushion: 40w x 12d x 35cmh

MATERIALS

Structure made from solid fir, poplar plywood, birch plywood and metal fixing plates. Base in polish natural die-cast aluminium. Padding in multi-density polyurethane foam and polyester fibre.

Please see product downloads section for material samples.
