Embrace Armchair by **EOOS** for **Carl Hansen & Son**.

The Embrace Outdoor Armchair combines meticulous joinery with relaxed upholstery, resulting in an inviting seat perfect for outdoor dining.

An evolution of the indoor range, designed by EOOS in 2015, the outdoor seat shares the same visual language but with construction from solid, FSC™-certified, untreated teak to ensure its suitability for outdoor environments.

Its wooden frame boasts a hand-sanded finish, incorporating functional elements like finger joints on the armrests and a truss assembly under the seat, enhancing stability and aesthetic appeal.

The chair features a removable, water-resistant full-seat cushion, which handsomely complements the sleek wood.
