DESCRIPTION

BM0253 Cabinet by **Børge Mogensen** for **Carl Hansen & Søn**.

Adapted from a Børge Mogensen design from 1953, Carl Hansen & Søn have worked with the Danish furniture designers family to bring the BM0253 into production for the first time.

Embracing the concept of "building furniture", the modular shelving system was designed with adaptability in mind. The minimalist modular shelving system consists of veneered shelves of varying sizes, a wooden cabinet, a tubular steel frame with varying lengths, all of which can be combined to suit the user's changing needs.

The cabinet doors are available in various colours that can be personalised to suit the space.

DIMENSIONS
