DESCRIPTION

BM0253 Shelving System, Configuration 4 by **Børge Mogensen** for **Carl Hansen & Søn**.

Adapted from a forgotten Børge Mogensen design that never came to fruition, Carl Hansen & Sons have worked with the Danish furniture designers family to bring the BM0253 to life.

A flexible and multifunctional shelving system, the BM0253 is the embodiment of functional simplicity. The modular system consists of veneered shelves of varying sizes, a wooden cabinet, a tubular steel frame with varying lengths, all of which can be combined to suit the user's needs.

Please note: pricing displayed is for configuration in the first image. Please enquire for the cost of alternative configurations.
