DESCRIPTION

CH33P Dining Chair by **Hans Wegner** for **Carl Hansen & Son**.

The CH33P is an upholstered version of the classic CH33 chair. Designed by Hans Wegner in 1957, the dining chair remains at least as relevant today as it was over half a century ago.

The CH33P is an exceptionally comfortable dining chair with a light appearance and strong stability. The chair is available in a range of wood and fabric variations, and to celebrate Hans Wegner's 100th birthday, Carl Hansen has released a special walnut and oak combination of the CH33P chair which has a walnut back and seat and an oak frame to highlight Wegner's extraordinary understanding of wood.
