FH420 Heritage footstool by **Frits Henningsen** for **Carl Hansen + Son**.

After travelling for a number of years, Frits Henningsen returned to Denmark filled with expressions from his experiences around Europe. Drawing on classic British style, Frits Henningsen sought to develop a contemporary armchair with a high level of detail and quality - the result was the Heritage Chair.

The Heritage stool is a matching item for the Heritage chair; a supremely comfortable and organic easy chair that adds charm to any room. The warm and elegant lines bear testimony to Frits Henningsen's constant pursuit of perfection. With a love for natural materials, he created a chair that is inviting and evokes tranquillity, fulfilling the eternal human quest for breathing space in a hectic daily life.
