DESCRIPTION

CH103 Sofa by Hans Wegner for Carl Hansen + Son.

The CH102 sofa, initially part of an exclusive office furniture collection, exemplifies Wegner's skilful manipulation of shapes and materials. In 2008, the series made a comeback in celebration of Carl Hansen & Søn's centennial, having been produced in limited quantities during the 1970s.

This welcoming sofa is distinguished by its sleek stainless steel frame seamlessly integrated into the armrests, strikingly contrasting the seat upholstery. The sofa's internal wooden frame is meticulously padded to meet the highest quality standards. Its loose cushions boast a stable yet soft composition, featuring a foam core enveloped in down.

The chair works well on its own, in groups, or with the sofas of the range. Also available as an armchair (CH101), two-seater (CH10) or four-seater sofa (CH104).
